BOARD OF COUNTY COMMISSIONERS - DEPARTMENT OF PUBLIC WORKS

THIS CONTRACT made this __ day of _____, 20__, by and between _____, hereinafter called the "Contractor" and the BOARD OF COUNTY COMMISSIONERS OF FREDERICK COUNTY, MARYLAND, hereinafter called the "Owner."

WITNESSETH, that the Contractor and the Owner for the consideration stated herein agree as follows:

Article I. Scope of Work. The Contractor shall perform everything required to be performed and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services required to perform and complete in a workmanlike manner all the work required for the construction of the Board of County Commissioners of Frederick County, Maryland, Department of Public Works Contract designated No. ____, all in strict accordance with the Contract drawings and specifications including any and all addenda, prepared by _____ Engineers, which Contract drawings and specifications are made a part of the Contract, and in strict compliance with the Contractor's proposal and the other sections of the Contract documents herein mentioned which are a part of this Contract, and the Contractor shall do everything required by this Contract and the other documents constituting a part hereof.

Article II. The Contract Price. The Owner shall pay to the Contractor for the actual quantities supplied and installed in the performance of this Contract, subject to any additions or deductions provided therein, in current funds, an amount not to exceed the contract bid price of _____ dollars (\$_____).

The foregoing bid price shall be the basis for establishing the amount of the performance and payment bonds, and is not to be construed to be a lump sum contract price. The quantities of the unit price items as stated in the Contractor's proposal are approximate only, and it is understood and agreed that payment will be made only on the actual quantities of work completed in place measured on the basis defined in the Contract conditions and the Contract specifications and at the unit prices stated.

Article III. Component Parts of This Contract. This Contract consists of the following component parts, all of which are as fully a part of this Contract as if herein set out verbatim or, if not attached, as if hereto attached:

1. Addendum Nos. __, __, __, __, and __.
2. Special Conditions of the Contract dated October 1991.
3. General Conditions of the Contract.
4. Contract Drawings.
5. General Specifications.
6. Project Specifications.
7. Instructions to Bidders.
8. Advertisement for Bids.
9. Contractor's Proposal.
10. This Instrument.
11. Contractor's Performance and payment Bonds and Insurance Policies.
12. Attachment "A"

This Contract is intended to conform in all respects to applicable statutes of the State or County in which the work is to be constructed, and if any part or provision of this Contract conflicts therewith, said statute shall govern.

Article IV. Starting and Completion. The Contractor agrees to commence work under this Contract on a date to be specified in a written order from the Owner, and to fully complete all work included in the Contract to the point of conditional acceptance by the Owner within __ consecutive calendar days including said date, and the liquidated damage provisions of this Contract, \$_____ per day, apply to this time period.

LABOR AND MATERIAL PAYMENT BOND

Bond No. _____

KNOW ALL MEN BY THESE PRESENTS, THAT

WE, _____ as principal, and

as Surety, are held and firmly bound unto the Frederick County Board of County Commissioners in the full and just sum of _____ Dollars (\$_____) lawful money of the United States of America, to be paid to said Frederick County Board of County Commissioners or to their attorney, to which payment well and truly to be made and done, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly, and severally, firmly by these presents.

WHEREAS, the above bounden _____, Contractor, (hereinafter called the Contractor) has entered or is about to enter into a contract with the said Frederick County Board of County Commissioners bearing even date herewith, among other things for the furnishing of all labor and materials necessary for the construction of _____, (hereinafter called the Contract) in Frederick County, (Contract Name and Number) Maryland, and which Contract and all documents forming a part thereof shall be deemed a part hereof as fully as if set out herein, and

WHEREAS, it was one of the conditions of the award of said Contract and pursuant to which said Contract was entered into, that these presents should be executed.

NOW, THEREFORE, THE CONDITIONS OF THE OBLIGATION ARE SUCH, that if the said Principal and all subcontractors to whom any portion of the work provided for in said Contract is sublet and all assignees of said Principal and of such subcontractors shall

promptly make payment for all materials furnished and/or all labor performed and services rendered in the prosecution and/or construction of the work provided for in said Contract or in any amendment or extension of or addition to said Contract which may be made with or without notice to the Surety, then the above obligation shall be void, otherwise to remain in full force and effect, PROVIDED, however, that this bond is subject to the following conditions and limitations.

(a) All persons, firms, and/or corporations who have furnished materials and/or performed labor or rendered services as aforesaid shall have a direct right of action against the Principal and Surety on this bond, which right of action shall be asserted in proceedings instituted in any court of appropriate jurisdiction. Insofar as permitted by laws of the forum, such right of action shall be asserted in a proceeding instituted in the name of the Frederick County Board of County Commissioners to the use and benefit of the person instituting such action and or all other persons having claims hereunder, and any person having a claim hereunder shall have the right to be made a party to such proceedings (but not later than six months after the complete performance of said Contract and final settlement thereof) and to have such claim adjudicated in such action and judgment rendered thereon.

(b) The Surety shall not be liable hereunder for any damages or compensation recoverable under any workmen's compensation or employer's liability statute.

(c) In no event shall the Surety be liable for a greater sum than the penalty of this bond, or subject to any suit, action, or proceeding thereon that is instituted later than six months after the complete performance of said Contract and final settlement thereof.

SUPPLEMENTARY CONDITIONS
CONTRACT NO. _____

ARTICLE 24: CONTRACT SECURITY

In Paragraph 24.1, add the following sentence: “Such bonds shall remain in full force throughout the contract term, to include but not be limited to, the guarantee period in accordance with Article 30.1, and any extensions thereof, that may be granted from time to time by the owner, with or without notice to surety.”

ARTICLE 30: GUARANTEE

In paragraph 30.1, delete the last sentence, “In the event ... under this guarantee.” And replace with the following: “In the event that the Contractor should fail to make such repairs, adjustments, or other work that may be made necessary by defects, the County may have the work accomplished by the surety company (ies) by invoking the provisions of the various bonds, or, at the discretion of the engineer, have the work accomplished and the contract amount retained used to pay for these repairs of the work or materials under guarantee.”

ATTACHMENT A

- 1) Modifications to “General Conditions and Standard Specifications for Water Mains, Sanitary Sewers and Related Structures” for Frederick County, MD, specifically, the Project Office Requirements (Effective 7/14/97)

Requirements of Standard Specification Section 1800, Temporary Facilities and Environmental Protection are hereby modified:

- a) In Section C.5, insert a new paragraph after the existing second paragraph:

On projects funded by a developer, by means of a Public Works Agreement and with a contract duration of less than 90 days, an office is not required. This provision applies only to those developer projects not procured utilizing the Frederick County Purchasing Department’s procurement procedures. The following are requirements for projects with a contract duration of less than 90 days:

- 1) The contractor will provide and maintain temporary toilets for the Inspector’s use as also required in section C.3 of the specification.
- 2) Sanitary cooled drinking water is to be provided for the Inspector.
- 3) The funding developer or their representative must provide concurrence to the Construction Manager waiving the office requirement.

- b) In Section C.5.a, in the first sentence after “made ready for use ...” add prior to issuance of Notice to Proceed and ...

- 2) Modifications to “Standard Details for Water Mains, Sanitary Sewers and Related Structures”, Detail No. 2 and No. 3

Change stone granular bedding material from ½” – ¾” size stone to Maryland State Highway Administration No. 57 stone. All other requirement of Detail No. 2 and No. 3 remain.

SUPPLEMENTARY GENERAL CONDITIONS

These Supplementary General Conditions amend or supplement the *General Conditions and Standard Specifications for Water Mains, Sanitary Sewers and related structures*, Frederick County, Maryland, revised and approved December 13, 1983, and amended on July 20, 2006 by Resolution 06-30. All provisions which are not so amended or supplemented remain in full force and effect.
